Mesquite Meet

On 2 April 2011, cadets met at Plano bright and early at 0600 to load up the bus and make their way over to the Mesquite meet. The day flew by, with PT team competing first, followed by female and coed color guards, then unarmed and armed drill teams, finishing off the day with academic team. We ended up bringing home THREE trophies from this meet, and all teams did well.

Armed drill team placed, bringing home a third place trophy for inspection!! And a special congratulations to female color guard for **FIRST PLACE** in both performance and overall!!!

JCLC

As usual, JCLC this year was a great success and was a lot of fun for everyone who attended! Cadets had a great time experiencing the barracks, running obstacle courses, navigating compass courses, viewing military vehicles, zipping around on the ropes courses, and competing with the East and West cadets. Everyone that competed did a great job and hopefully many cadets will return next year!

Car Wash

"This last car wash was a good, solid car wash," as LTC Rhoden put it. We did well, bringing in about \$2500! We didn't do as well as well as the fall car wash, but we did good, nevertheless. Its getting close to the end of the year, but its not time to start slacking off quite yet. Remember, you've got to show ISGT and Colonel what you've got to be considered for the job you want next year and the only way to do

that is through hard work and determination. So, It is important for everyone to do their best and try their hardest in these remaining few months.

Award Ceremony

Award ceremony was held on 25 April, 2011 in the PSHS theatre building. Stuff was handed out to people and other things happened too, like C/CSM Derrick Jergins being announced as the 2011-2012 Battalion Commander and Bravo Company winning Best Company. C/SFC Antony Park won Best Platoon and C/SFC John Cerretta won Best Squad, or something like that. People were happy because they got stuff, and other people showed up. Everyone "oohed" and "aahed" at all the senior baby photos. God, why didn't I write these instead of Molly? I'm much better at being snarky.
